

Chipper Tangles With Seymour (The Adventures of Chipper) (Volume 3)

As if the animals on Sunnybank Farm don't have enough problems with the neighbor cutting down his trees-- and the short water supply--Chipper overhears Jonathan say the egg count is down in the hen house. Investigation proves it's not that the hens have quit laying, but someone is stealing the eggs. With so many of the animals acting suspicious, how will Chipper ever find the culprit? Read Book Three and see why children of all ages love following the Adventures of Chipper and his animal friends. Check out the Look Inside feature.
