

A Happy Marriage: Practical Steps To A More Loving, Intimate And Fruitful Life

This Book Is For All You Married Folks And Those In Relationships When you get married, marriage will now become your top priority. No buts, no excuses. It is a sacred promise you have to fulfil for the rest of your life so you must take it seriously. I know it might sound scary at first, but marriage is a union of two lovers. Even though it is limiting, marriage actually brings freedom. It will set you free when you know the right things to do. Its about showing unconditional love; it is no longer I or Me, but rather US and WE. The sound of it seems revolting and exciting but I have to tell you, some marriages dont end successfully. It is a hard commitment that you need to think through before you dedicate yourself. What Will You Learn In This Book Some of the topics we will be going over in this book are - Importance of Good Communication - Physical Intimacy - Opening Up To Each Other - Things That You Should Never Tell Your Other Half - 15 Thoughtful Acts That You Can Surprise Your Spouse With - How to Live Each Day As If It Is Your First Day Of Marriage - Importance Of Love Free Bonus Included - 7 tips on starting your own kindle publishing business As a token of my appreciation for purchasing this book Id like to offer you a 7 Tips To Starting Your Own Kindle Self-Publishing Business. In this free bonus I will go over: - How to pick your niche - Tips on publishing a great book - What to price your book at - Finding an audience - Which platforms to use - How to penetrate a niche with multiple titles
