

Good Neighbors (Siren Publishing Menage and More)

[Menage and More: Erotic Menage a Trois Romance, M/M/F, with M/M, HFN] Paige hoped moving to restart her future would allow her to leave old wounds behind. But realistically, with mass media, too many people knew about her being left at the altar. She shunned neighbors attempts to be friendly with cold indifference, citing work obligations. Only she wasn't prepared to meet Josh and Chris. They ignored her cranky persona when she needed their help. Now a decision has to be made. She could blame all men for her ex's behavior or she could start fresh. Her chemistry with Josh and Chris is overwhelming and they didn't push for contact which made her want to know them. Eventually, she has to decide which man she wants to pursue. But in this new version of her life, could she have both men? Note: This book contains double vaginal penetration. ** A Siren Erotic Romance
