

Harolds Fetish

Diagnosed with life-threatening sleep apnea, Brian Markey discovers passion, betrayal, and his biological family, when his breathing and heart stop during the night. Brian explores young adulthood within a spiritual, romantic, humorous, and philosophical framework. He transcends and transforms what could have been a desolate, dreary existence, into a meaningful journey. When his half-brother Harold appears, hes forced to accept where he came from, who he is, and what he must become. Suspense, mystery, humor, and romance lead you down an unpredictable path, forcing the re-assessment of your life, and your families.
