

## Jesus Please Smile Upon Me: 313 Life Issues to Ponder

In April or May of 1998 the Lord started giving me Life Issues and at one time I had to pull off to the side of the road to write several down before forgetting them. Then from October 10th through the 15th God took control of my mind and began filling me with His glory and for those five days I did not have any thoughts of my own. I did not comprehend His glory immediately but each year He provided more parts of what He wanted me to know. I submitted myself to His will in August of 1995 and He has not let me go from my commitment. In February of 1999 He finished sending me these 313 Life Issues. I have never been one to follow the crowd or let a group control me as I have always be a thinker. Not every Life Issue in this book is for everyone but for everyone there are Life Issues to ponder. Let the Life Issues that pertain to you help to improve your life, family and relationship with Jesus Christ. My books have been used in small Bible study group meetings. I cross denominational lines in my writings as I am not a fan of denominationalism. If you read all of my writings you will probably feel the same way while still remaining a member of your church.
