

Off the Beaten Path

Kristin Palmer is teetering on the verge of emotional collapse. Her entire life has been an endless stream of glitz and glamor since she first stepped into the limelight of professional modeling at the age of sixteen. Now with her marriage and her self-assurance shattered, she can't think of a single reason why she should be in a hurry to get back to her life. Back to the successful modeling agency she built from nothing, back to friends that look at her with fear and pity, and back to her plush but painfully lonely penthouse apartment. Speeding north out of Los Angeles on her annual business trip, Kristin takes a random and impulsive detour that places her in a place that she has only dreamed of and an encounter with a man that was beyond her dreams.
