

Southeast Asian Affairs 2012

Southeast Asian Affairs 2012 provides an informed and readable analysis of the events and developments in the region in 2011. In the regional section of this volume, the first six articles provide the political and economic overview of Southeast Asia and the region. Eleven country reviews as well as six special theme articles follow, delving into domestic political, economic, security, and social developments during 2011 and their implications for countries in the region and beyond.
