

Martin Luthers 95 Theses

Did Martin Luther wield his hammer on the Wittenberg church door on October 31, 1517? Did he even post the Ninety-five Theses at all? This collection of documents sheds light on the debate surrounding Luthers actions and the timing of his writing and his request for a disputation on the indulgence issue. The primary documents in this book include the theses, their companion sermon (A Sermon on Indulgence and Grace, 1518), a chronological arrangement of letters pertinent to the theses, and selections from Luthers Table Talk that address the Ninety-five Theses. A final section contains Luthers recollections, which offer todays reader the reformers own views of the Reformation and the Ninety-five Theses.
