

# The Life Recovery Journey: Inspiring Stories and Biblical Wisdom for Your Journey through the Twelve Steps

A life-changing resource for the Twelve Step journey, for anyone who struggles with addictions or dependencies or wants to help someone who does. From the creators of the popular Life Recovery series that has guided millions of readers back to health and wholeness, now comes the ultimate recovery book written from a Christian viewpoint. Recovery pioneers Stephen Arterburn and David Stoop bring a biblical perspective to the Twelve Steps of Life Recovery. They share real-life, personal accounts of people on the road to recovery; biblical stories and verses to support readers in their journey; and powerful principles that offer hope for the future. Whether using the book alone or as a companion to the popular Life Recovery Bible, this is an essential resource for anyone wanting to walk closer with God through recovery, as well as for their counselors, pastors, and loved ones. Previously published as The Book of Life Recovery.
