

The Hope of Eternal Springs by Justin kauer: Book Two Of The Road Back to Effulgia Trilogy

The action picks up right where The Legend of the Slave King left off. Joan and Alban must face the scorching sands of the desert known as the Verdis Gran Secas and the flowers that grow there. Easy task? Not even close! In the process of trying to get free of the desert, Alban has uncovered a plot by Decebal to use his slaver caravan as a front to smuggle odd weaponry to the Darvanian Empire. Now, with Darvanian soldiers possibly closing in on them and a dwindling supply of water, Alban and Joan need help from above more than ever.
