

The Singing River

NEW ADULT ROMANCE by Amazon bestselling author R.K. Ryals In Mississippi, theres a legend about a Singing River, a tragic love story that ended with an entire Indian tribe singing a death chant as they marched stoically into the Pascagoula River to die ... At eighteen, Haven Ambrose isnt just a high school graduate. In her head, shes an aspiring writer, a traveler, a chef, a slayer of injustice, an astronomer, an archaeologist, and the love child of a famous, rich musician. But reality is harsher. Reality is overdue bills, a crumbling trailer, an absent father, an old addiction, and a hot, crushing summer that may end in disappointment. For twenty year-old River Brayden, life seems good, but appearances can be deceiving. The oldest son of a wealthy family, he has finished his first year at Harvard to return home for the summer only to discover his younger brother headed down an unforgiving road. They will be drawn together by a song. For during the late summer, they say the Pascagoula death chant can still be heard near the Singing River. Its call is haunting, its chant a testament of love and sacrifice. It calls to some ... beckoning.
