

# Toddler Time

Toddler Time - Creative Experiences for Toddlers contain over 180 developmentally appropriate activities geared specifically to children from the ages of sixteen months to three years. Each chapter contains a short introduction, a list of inexpensive materials, activities, and some of the experiences toddlers will gain by interacting with the materials. The importance of play must never be underestimated for toddlers learn through play and fantasy. Teachers, parents, and caregivers will find this book to be a valuable resource guide to use in working with toddler-age children.
